The Thanksgiving Share Fair will be on October 17.

Stewardship

The Stewardship Cttee will be hosting a "Planned Giving Event" later in the fall.

Visitation

If there are folks who know of other folks who are homebound and would like communion to forward their names to the office.

Membership

We now have the Church Family Records configured to contain all of the information and to perform all the tasks we require of the records system. Therefore, our Roll Clerk, Marilyn Mason, is now completing the process of catching up the data entry which will make the records complete and up-to-date. Soon, therefore, the other committees, etc., will be receiving information on how to get the information they need and to input changes.

Worship

Plans are being made, in anticipation of the installation of the new pipe organ, for its dedication and demonstration to the congregation and the Camrose community. Definite dates will be set as soon as we have definite dates for the installation.
